Thirty-Sixth Annual Meeting Held at First Congregational Church-Election of Officers, Reports and Addresses at Afternoon Session.

The thirty-sixth annual meeting of the Eastern Connecticut branch of the Woman's Board of Missions was held Wednesday afternoon at the First Congregational church, Norwich Town.

Wednesday afternoon at the First Congregational church, Norwich Town. Syringa, daisies and vigelia were banked about the pulpit. There was a representative gathering of members of the branch from Colchester, Jewett City, Danielson, Stonington. New London, Franklin, Goshen, Hanover, Norwich, Bozrah and Lisbon.

Seated on the platform with Miss Willard, the president of the branch, were Mrs. J. M. Huntington, first vice president, and Mrs. H. T. Arnold. The service opened with singing, Scripture reading and prayer, after which it was voted that the minutes be referred to the executive committee. Miss E. C. Smith of Norwich gave the report of The Year's Work at Home. Reference was made to the annual meeting of the Wonian's Board of Missions, which is to meet with Park church in November. A lowing tribute was paid Miss Emily Gilman, Various meetings of the branch held during the year were mentioned; also missionary magazines were recommended. were mentioned; also missionary mag-azines were recommended.

Year's Work Abroad.

The Year's Work Abroad was given by Miss N. E. Lucas of Norwich, who spoke especially of the work of the missionaries in whom the Eastern Connecticut branch is interested. Reference was made to the schools in India, and in Van, Turkey, where Dr. and Mrs. Reynolds, Dr. and Mrs. Usshar are weekings. er are working. Communication with Mrs. Howland of Mexico has been cut off, owing to the war. An incident was related where a Bible woman in India saved a young widow from Report of Treasurer.

The treasurer's report was read by Miss Anna C. Learned of New London and stated that \$4,414 has been raised during the year by the forty-two aux-illaries. There has been a gain of \$26 in what was received from the Cradle Rolls: \$55 has come from Endeavor so-cieties and \$69 from Sunday schools.

Young People's Work.

A most interesting sketch of the work of the young people was heard from Mrs E. P. Egglestone of Danielson. The Finding Out club was organized this last year in the Second church, Norwich. The Danielson Endeavorers sent money to the famine sufferers in China; they also sent a scholarship to Piedmont college. Georgia, in the Pirst church, Norwich, the committee work of the Endeavor society is their strong feature. The banner collection of the year was received from the Craile Roll of the Jewett City church. The Daughters of the Covenant is a society made up of members from the two churches in New London. In Park church, Norwich, those who graduate from the Craile Roll join the Travelers club. In Pomfret, a Searchlight club has been formed. The Putnam society is putting a Bible into every room of the large hotel there. In Windham the children are doing their utmost for missions. A most interesting sketch of the noted there. In Windham the children are doing their utmost for missions. One little girl sold her breakfast of an egg and an orange for seven cents. The remaining \$2.50 sent by that society represented all kinds of hard work done with a will.

In closing, a special plea was made to all to keep the work up to its former standard.

Officers Elected.

The following officers were then elected: Miss Abby G. Willard, Colchester, president; Mrs. J. M. Huntington, Norwich, first vice president; Miss N. E. Lucas, Norwich, corresponding secretary; M'ss Emeline C. Smith, Norwich, recording secretary; Miss Elizabeth Parker, Norwich, secre-

After the singing of the hymn, Go Labor On, Mrs. L. W. Bacon spoke upon The Coming Event. In referring to the coming of the Woman's Board of Missions of the eastern states to Norwich in November, she said: They out 33 men in the first two games played, and has kept up the good work throughout the season.

Notes.

L. N. Charon of Fall River spent Wednesday with friends in the village.

T. A. Donovan of New Haven was the guest of local friends on Wednesday.

Miss Marion Marcue is spending a two weeks, vacation at her home in the content of the season and to our children with the coming of the missionaries. The influence of these meetings upon the children was illustrated by the good done among the young people fifteen years ago by Dr. Grace Kimball of Van, Turkey. One day we shall stand in the presence of God. Shall we then say:

"Here am I and the children Thou hast two weeks," vacation at her home in

There am I and the children Thou hast given me?"

The devotional meeting which followed was led by Mrs. C. H. Ewing. After reading passages of Scripture, showing that Christ is with His workers to strengthen and give power, she said Christ is with us, helping in all our work, and with His help our work will be carried forward to completion.

Message from Zululand.

Mrs. T. R. Bunker, a missionary from Africa, then gave a message from Zululand. She said in part: This seems to be a year of jubilees here. It is also the seventy-fifth year since the founding of the Zulu mission and is to be celebrated in Natal. There is to be a choir of three hundred native voices. Work of Auxiliaries.

Work of Auxiliaries.

A summary of the work of the auxiliaries was given by Mrs. S. H. Howe of Park church. The interest in the auxiliaries has been kept up wonderfully well. Most of them report regular meetings and a good attendance. Others have given to the Chinise famine. Several of the societies have taken up the study of Western Women in Eastern Lands.

A distinctive feature of the New London auxiliaries is their united service. The Mystic society supports a Bible woman in India. In Hanover they have bi-monthly meetings with an average attendance of seventeen. In Lebanon all the members are present at each meet. The Goshen society, by the payment of \$25, has made the pastor's wife a life member of the board. Groton mourns the loss of one member who for twenty-five years had charge of the work.

In Broadway church there has been an average attendance of twenty-eight at the meetings. In Norwich Town there have been seven meetings, averaging twenty, with growing interest. The October meeting in Park church was a memorial service for Miss Emily S. Gilman, who was for twenty-five years president of the Eastern Connecticut branch. Greeneville has forty members and Taftville society fifteen members.

The remaining societies in the branch have sent in good reports with the exception of one or two places where the meetings have not been kept up owing to the difficulty in find-ing a leader. The officers of the branch are looking forward to a new year, full of hope that it will be a year of great encouragement in the mis-sionary work. work

A DeadStomach

Thousands! yes hundreds of thousands of people throughout America are murdering their own stomach, the best friend they have, and in their sublime ignorance they think they are putting aside the isws of nature.

This is no sensational statement: it is a startling fact, the truth of which any honorable physician will not deny.

These thousands of people are swallowing daily huge quantities of pepsin and other strong digesters, made especially to digest the food in the stomach without any aid at all from the digestive membrane of the stomach. In other words, they are taking from the stomach the work that nature intended it should do, and are also refusing it the only chance for exercise it has. MI-O-NA stomach tablets, they relieve distressed stomach in five minutes. Taken regularly for a few weeks they build up the stomach and make it strong enough to digest its own food. Then indigestion, belching, sour stomach, headache and stomach misery go.

MI-O-NA stomach tablets are sold by The Lee & Orgood Co. and leading druggists everywhere at 50 cents in large box, and are guaranteed to cure all stomach distress or money back.
